

# What do you think about the People's Plan?

What is your overall impression of the People's Plan proposals?

Excellent. There is nothing I would change.	Good. There are a few things I would change.	I need more information to judge.	Poor. There are many things I would change.	Very Poor. I would change all or most of it.

Is the People's Plan a better or worse prospect than demolition to make way for the Earls Court Masterplan?

Far better	Better	Neither better nor worse	Worse	Far worse

What are your priorities for the improvement of your home and the area?
